The Class of '89 is one of the more exceptional classes to grace the halls of ol' Jewell High. They have not only reached the heights of academic achievement but have been noted for their athletic abilities as well.

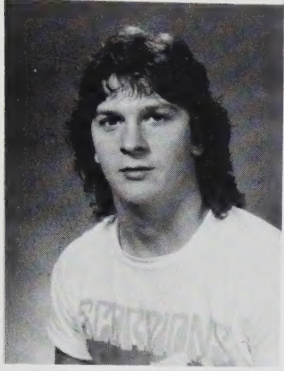

Members of this class have dominated the political life at Jewell for the last two years by sweeping all the elective student body positions.

The Class of '89 set a goal in the 7th Grade of taking their Senior Trip in Hawaii. They have made that goal with money to spare.

As the years pass you will find that members of this class are destined to make an impact on the world.

They not only have the talent but the drive and ambition to make their dreams come true.

The tall and the short of it.

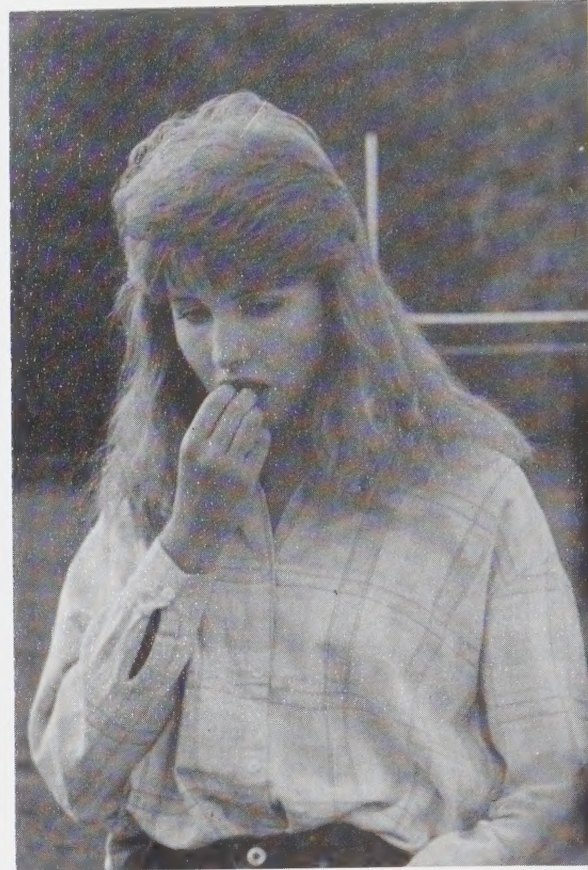

Baying at the moon...woof woof.

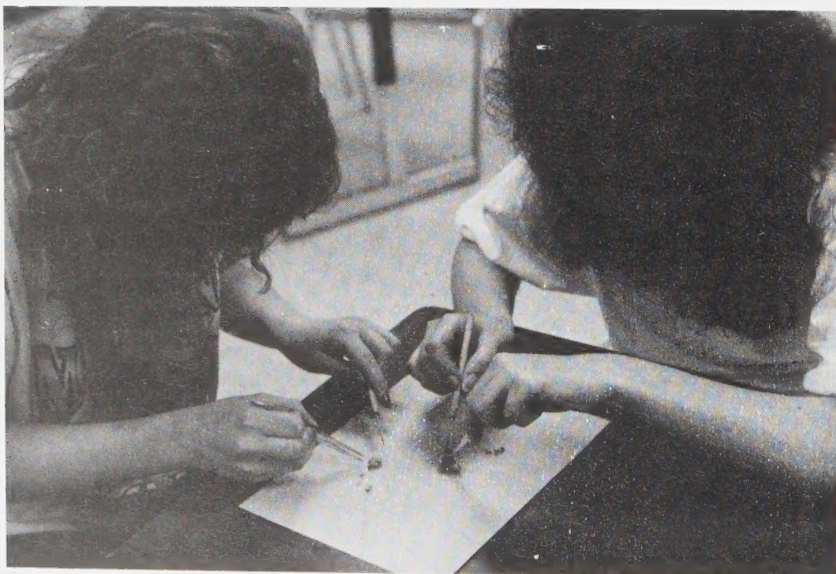

Don't even look at me!

That Covergirl face?

Finger licking good!

Brain surgeons at work.

Say what?

Bloods or Crips?

Is it Friday yet?

Caution, men working!

Did they catch me?

The next
Buddha Princess?

Here they come.

Who caught who?

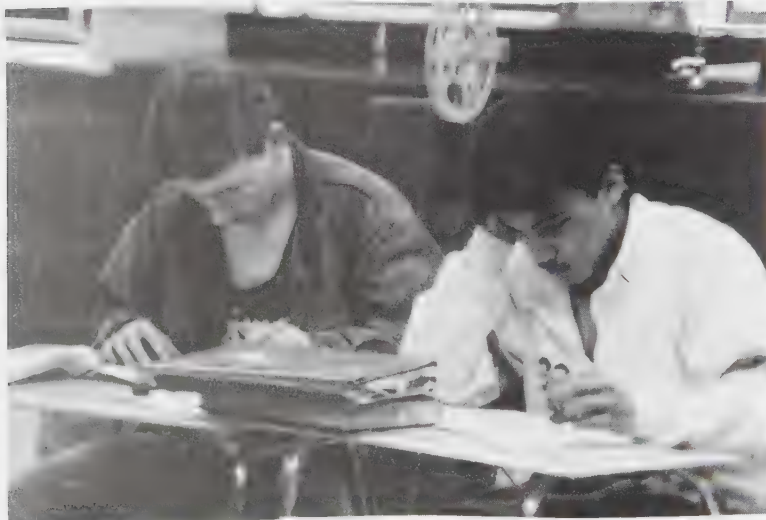

The Thinker

Big bubbles, all troubles

What a pair...but of what?

Working hard or hardly working?

He never flunked and he never
lied-and I reckon he never
knowed why.

Modern woman worships at the
temple of science.

Patrick, is that you?

Need a light?

Still life

I know my lipstick's in here somewhere!
